

As of 8/01/2011, successful completion of online CITI education will be required for IRB members and all researchers, including faculty, staff, students and their faculty advisors. The IRB main page has additional information and a direct link to the CITI site, <https://www.citiprogram.org/Default.asp>.

Learners should select a learner group according to the focus of their research

Required Modules: Biomedical Research Investigators & Advisors

Avoiding Group Harms: U.S. Research Perspectives
Belmont Report and CITI Course Introduction
History and Ethical Principles
Basic Institutional Review Board (IRB) Regulations and Review Process
Informed Consent
Social and Behavioral Research for Biomedical Researchers
Records-Based Research
Research With Protected Populations - Vulnerable Subjects: An Overview
Vulnerable Subjects - Research Involving Minors
Research and HIPAA Privacy Protections
Workers as Research Subjects-A Vulnerable Population
Conflicts of Interest in Research Involving Human Subjects

Optional Modules

Avoiding Group Harms: International Research Perspectives
Genetic Research in Human Populations
Vulnerable Subjects - Research with Prisoners
Vulnerable Subjects - Research Involving Pregnant Women and Fetuses in Utero
International Studies
FDA-Regulated Research
Human Subjects Research at the VA
Hot Topics
The IRB Member Module - "What Every New IRB Member Needs to Know"
You want to be an IRB Community Member, Now what?
Stem Cell Research Oversight-Part I

**Learner Group 2: Social and Behavioral Investigators and Advisors
Required Modules**

Students in Research - SBR
History and Ethical Principles - SBR
Defining Research with Human Subjects - SBR
The Regulations and The Social and Behavioral Sciences - SBR
Assessing Risk in Social and Behavioral Sciences - SBR
Informed Consent - SBR
Privacy and Confidentiality - SBR
Research with Children - SBR
Research in Public Elementary and Secondary Schools - SBR
Internet Research - SBR
Research and HIPAA Privacy Protections
Workers as Research Subjects-A Vulnerable Population
Conflicts of Interest in Research Involving Human Subjects

Optional Modules

Research with Prisoners - SBR
International Research - SBR
Human Subjects Research at the VA
