

Student Proposal Application
Lourdes University Research Symposium
Tuesday, April 24, 2012
2:00 – 7:00 PM in the Franciscan Center

Student Researcher Instructions

Complete this form by typing in the fields below. Send it via e-mail to your professor supervising your work on this research project. She or he will review it with you and forward the final application to the Research Symposium Committee. **Note: The deadline for faculty to review your proposal and submit it to the Symposium Committee is March 1, 2012.**

Use the Tab key to move to the next field. Either type your information or click to check a box.

Publication Information

Provide the title of your presentation, author(s) (i.e., student researchers), faculty advisor and project description. See the Research Symposium web site for abstract writing resources (<http://www.lourdes.edu/Academics/ResearchSymposium.aspx>). This information will be printed in the Symposium program booklet so please check for spelling, grammar and punctuation.

Title of Presentation:

Student Author(s) [If this a group project, fill out only one form and list all student authors, separated by commas, as they will be listed in the program]:

Faculty Research Advisor :

Project Description: [A **80-100 word** description of the topic, focus of the research and results, if available, below.]

Check the type of participation you are proposing:

- Poster** – A stand-alone poster that explains your research. (Student-researchers are expected to stay with their poster during the Symposium to explain their research.) *Posters are set-up from 4:00 – 6:30; students attend their poster to discuss their research as much of this time as possible.*
- Oral Presentation** – Formal presentation (with PowerPoint and handouts) of your research to a small audience, with time for Q&A. *In 30 minute blocks starting 2:00 and ending 6:30 PM.*

-
- Check here if this is a class project and complete the following information:
Course (no. and title) in which research was conducted:
Instructor's Name:

Check one: Undergraduate student(s) or Graduate student(s)

This project has been approved by the Institutional Review Board: Yes No.

Education information:

Your major is [*include majors of all students if this is a group project*]:

If your proposal is accepted, please list the names and mailing addresses of three individuals you would like to formally invite to the Research Symposium.¹

Name/address:

Name/address:

Name/address:

¹

Contact Dr. Patrice McClellan (pmcclellan@lourdes.edu) if this is a group project to coordinate additional invitations.

Faculty Instructions:

Review this information, especially the description, and discuss with your student(s) if you have any suggestions. When this application meets your standards please send it by e-mail attachment to Dr. Patrice McClellan (pmcclellan@lourdes.edu). Only forms submitted by members of the Lourdes University faculty can be considered. **Submit student proposals by March 1, 2012.** By submitting this application you are agreeing to assist the student(s) with this research, serve as contact person with the committee on the project, and sponsor the student researcher(s) at the April 20, 2010 Research Symposium (2:00 – 6:30 PM). **If your student is giving an oral presentation, you as the advisor, are expected to promote your student's presentation and attend it yourself.**
