

IMPORTANT PARKING INSTRUCTIONS

By following these *PARKING INSTRUCTIONS*, Theater Vision drivers facilitate quick and easy access to parking, and help assure the safety of student groups, staff and volunteers, and campus neighbors.

1. Theater Vision participants enter from the main Lourdes College entrance drive off Convent Boulevard and use the parking area directly across from the Franciscan Center. "THEATER PARKING" signs, easily visible from Convent Boulevard, mark this entrance. Respect the 5 MPH SPEED LIMIT, and use caution if you are directed to drive through the cross walk marked with orange cones that crosses the entry drive.
2. Deputy Sheriffs stationed in the entrance drive direct vehicles to Parking Lot Assistants dressed in Orange Vests. The assistants assign and direct vehicles to parking spaces in the parking lot. **DO NOT DROP OFF PASSENGERS IN THE ENTRANCE DRIVE!** Get instructions from a Parking Lot Assistant if you must drop passengers off and return later, or if you have disabled passengers who require special parking or assistance. Drivers should open their windows so they may hear instructions.
3. A special zoned off cross walk area marked by orange flagged traffic cones extends completely through the parking lot and across the entrance drive where the Deputies are stationed. After leaving their parked buses or cars, all visitors should proceed immediately to this cross walk and remain within the marked off area as they proceed through the parking lot and across the entrance drive to the Franciscan Center walkway. Students must be supervised at all times! **NO RUNNING** is permitted.
4. **DO NOT ASSEMBLE GROUPS OUTSIDE THE PROTECTED AREA OF THE CROSS WALK.** Instead, meet on the walkway leading to the Franciscan Center, away from the entrance drive. In cold weather, groups may assemble inside the building. Your group will be guided to the correct Entrance Door.
5. Parking Lot Assistants will assist you in exiting the parking lot. Please do **NOT** drive through the coned cross walk when exiting unless instructed to. Be patient, proceed with caution and pay close attention to any directions given by the Deputies and Parking Lot Assistants, who volunteer their time to assure your safety.
