#### **Credit Checks**

In order to borrow a Federal Direct Parent PLUS Loan, you must pass a credit check. The credit check is performed during the online application process, and Lourdes FAO will receive an electronic notification of the credit check results. If you have questions about the outcome of the credit check, contact the U.S. Department of Education at 1-800-557-7394. See **Step 7** below for information about credit checks which are denied.

#### **Disbursements**

Funds are deposited directly to the student's account. A positive credit check and completed MPN must be received before any funds can be disbursed to the student's account. Any credit resulting from the Parent PLUS Loan will be mailed to the parent address listed on Federal Direct Parent PLUS Loan Online Application, unless parents indicate they want the credit paid to the student.

#### **Repayments**

Repayment on a Parent PLUS Loan begins 60 days after the final disbursement of the loan, (see "Deferment" below), and will continue while the student is enrolled in school. #### **Deferment**

A parent can choose to defer payments on the PLUS loan if the student is attending at least half-time.
