Sometimes the information you filed on the FAFSA does not reflect your current financial situation or take into account an unusual circumstance with you and/or your family. In certain circumstances, the Lourdes Financial Aid Office may use professional judgment, on a case-by-case basis, to adjust the information you filed on your FAFSA so it better reflects your current situation. *NOTE: Even if an adjustment is made, it may not result in additional aid.*

Your 2020-2021 FAFSA must be on file with Lourdes University to process a Special Conditions Appeal

Processing takes at least 2 – 3 weeks. Please follow all instructions completely as missing information will delay the review of your appeal. You will be notified by email of the decision of this appeal. Also, if additional information is being requested, you will be contacted by email.

Please provide the following for all Special Conditions appeals, as well as documentation required based on your reason for appeal.

1. Provide a letter explaining your situation. Your letter should have a clear and detailed explanation of your circumstances.
2. If your FAFSA has been selected for the process of Verification, students requesting a Special Conditions Appeal must complete a process called Verification first. Please contact our office if you have questions about this.

Note: If you are required to submit a 1040, the 1040 must be signed for it to be considered acceptable documentation.
