

### AMERICAN RESCUE PLAN FUNDS REQUEST

Lourdes University is giving students an opportunity to access emergency COVID relief funding based on need. Congress has passed a third round of funding via the American Rescue Plan. Lourdes University has been entrusted with disbursing these funds to students to cover costs, including tuition, housing, food, health care, or childcare.

Please state below how the pandemic has impacted your personal or family situation. Examples of need: Inability to return home due to travel restrictions, a parent or guardian lost their job or income was reduced due to business decline, or other circumstances for consideration.

Provide information here to request American Rescue Plan/Higher Education Emergency Relief Funding:

Each request will be evaluated by Lourdes University staff. If approved, you will be contacted to be made aware of your award. This funding is in addition to prior rounds of emergency relief funding.

**If you are awarded emergency relief funds from this round of funding, you have the opportunity to apply these funds to any outstanding account balance you may have. Please sign below if you would like your emergency relief funds applied to your outstanding student balance.**
