***Graduate Writing Tutor**

Drop-in tutoring is designed for brief questions or clarifications. Students are not guaranteed individual attention and may have to wait to see the drop-in tutor. Individual tutoring appointments are available for more extensive questions or paper reviews and can be scheduled at the front desk of the ASC.

Individual Appointments are available in the Academic Support Center (ASC) by either calling 419-824-3748 or online using the Lourdes University Website and the ASC webpage.
